

WOLLONGONG WASTE SERVICES GUIDE UNITS AND APARTMENTS

Wollongong City Council waste service includes a weekly **FOGO**, fortnightly **Recycling** and weekly **Waste to Landfill** bin as well as two Household Cleanups per financial year.

BIN COLLECTION TIPS

- Place bins on kerbside before 6am on **collection day**.
- Don't contaminate your bins. Go to the **Website** or **App** for details of how to use your bins the right way.
- Present your bins correctly - at least 30cm apart, opening facing the road, not blocked by trees or cars.
- Don't overfill your bins. The lid must close properly and it must not weigh more than 80kgs.
- Don't park your car in turning areas on collection days to ensure the trucks can turn safely.
- Don't park bins in on collection day
- Remove your bins from the kerbside after collection.

HOUSEHOLD CLEANUP SERVICE

Book a **Household Cleanup Service** today to dispose of bulky household items and furniture. For **multi-unit complexes** with 9 units and above, contact your Building Manager to arrange a cleanup for your complex.

MISSED BIN COLLECTION?
